Lodging

We no longer offer the on-site Hill House lodging, but we are excited to be collaborating with the gorgeous local retreat center [Stepping Stones Farm](#) for a Four Winds-partnered rental. They provide charming lodging for small to large groups, and are located in Temple, NH – just 15 minutes from Four Winds. Ask about shuttle options for your event!

See the last page for Stepping Stones offerings and prices.

For other lodging options, check our website for a list of local inns, hotels, and B&B's.

Vendors

We are just a venue, so we provide space (indoor and outdoor), tables, chairs, parking.

We have a list of local [vendors](#) on our website to get you started with all the other stuff.

We offer a wide range of options to allow you to create your vision and stay within budget.

More Details

Weddings may take place on Saturdays or Sundays - we do not offer weekday weddings. No additional charge for ceremony, and parking is also included. Pets are permitted.

Please note that barn events must be over by 9pm – this is non-negotiable due to town permits. However, we do allow an hour of clean-up/wrap-up after the 9pm music shut-off, with the barn vacated by 10pm.

Our property is on a septic system, so portable toilet rentals are *required*. We have a Four Winds discount with Scottie's Potties, but as with all vendors, you are free to choose anyone you like.

Events over 100, fee will be added for required Fire Department representatives, price TBD based on event timings and guest list count.

Optional add-ons:

Additional Firewood for event: \$100

Propane heater rentals: \$25 per heater (we have 4)

Pool table removal: \$1250 (this is a heavy antique billiard table that is removed and returned by a professional company)

Tours of Four Winds Farm are offered upon request any time of the year.
